Lt. Ken Weaver Major Case Section 11-07141

Vallejo fugitive Johnathan Walker is arrested in Oregon

Last night at 9:19 p.m. Johnathan Walker was arrested in Coos Bay, Oregon by the Oregon State Police SWAT Team. Vallejo detectives have actively been searching for Walker since the murder of Michael Ross in June. Detectives have been working with the U.S. Marshal's Office, California Department of Justice and the San Francisco Police Department to apprehend Walker. The department received information that Walker left Vallejo last week and was possibly going to Oregon. Additional leads provided a residence in Coos Bay Oregon.

Walker was seen at a house at 1601 Idaho Avenue in Coos Bay at approximately 3:00 p.m. Due to Walker's criminal history the Oregon State Police SWAT Team was called by the Coos Bay Police Department. Walker was taken into custody without incident and taken to the Coos County Jail. Walker is expected to return to Solano County next week.

Walker will be booked into the Solano County Jail on the two homicide warrants for the murder of Charles Chandler II and of Michael C. Ross.
