A. Project Description

Attached hereto in Exhibit "A" is a scope of work including a brief description of the work product or "Deliverables," an estimated Budget, and a Schedule, constituting "the Project." Herein, Exhibit "A" is referred to as 'Project Scope'. Also attached hereto as Exhibit "B" is Resolution No. 14-128 N.C., approving the Project, setting clear project conditions, and authorizing the City Manager to take any and all required actions to implement the project.

B. Project Implementation

1. The CITY hereby grants to the GRANTEE an amount not to exceed \$18,000, on condition that the Grant Funds be expended for the eligible costs and purposes of the Project as described in Exhibits "A" and "B" of this Agreement and pursuant to all other terms and conditions set forth herein. The Project Scope includes deliverables and estimated costs for each deliverable. The GRANTEE is contractually bound to complete each deliverable listed in the Project Scope.

Once the GRANTEE has completed the deliverables as itemized in the Project Scope, the GRANTEE may request written approval from the CITY to rollover any remaining Grant Funds from this project scope to any subsequent addendums to this contract. This shall be considered a change or deviation from the original Project Scope. Approval for these additional addendums or allocations shall be granted or denied at the CITY's sole discretion.

3. The GRANTEE shall complete the Project by February 29, 2016. The GRANTEE shall complete services per the Schedule in Exhibit A.

4. The GRANTEE certifies that the Project does and will continue to comply with all laws and regulations which apply to the Project, including, but not limited to, legal requirements for construction contracts and workers' compensation, building codes, environmental laws (including but not limited to the California Environmental Quality Act), health and safety codes, and disabled access laws.

5. The GRANTEE certifies that the Project does and will continue to comply with all laws and regulations which apply to the Project, including, but not limited to, legal requirements for construction contracts and workers' compensation, building codes, environmental laws (including but not limited to the California Environmental Quality Act), health and safety codes, and disabled access laws. Where applicable, the GRANTEE shall seek and obtain requisite permissions, recommendations or approvals from the CITY, including any commissions, review boards, or administrative staff.

6. Prior to commencing any work under this agreement, the GRANTEE shall obtain all necessary permits from the CITY.

7. The GRANTEE shall obtain the CITY's written approval of any change or deviation from the original Project Scope set forth in both Exhibits "A" and "B", including changes to any of the deliverables or costs identified in the Project Scope (Exhibit "A"). Any modification to the Project or Project Scope must also comply with all current laws and regulations and all other requirements of this Agreement, and the Project must be completed with available funding from the GRANTEE and funds provided under this Agreement.

GRANTEE requests for changes or deviations to the Project Scope shall be presented through Section 6 of the Progress Reports (Exhibit D) required for submittal by the dates identified in F.1 or through a Change Order Form (Exhibit E). The CITY shall review the Progress Reports and Change Order Forms for any request for changes or deviations presented therein and promptly notify the GRANTEE of the CITY's decision.

8. All actions and approvals required to be taken by the CITY under this Agreement shall be approved by its City Manager or his/her designee.

C. Acknowledgment of Funding Source

Unless otherwise agreed upon between the parties, the GRANTEE agrees that any publications, studies, or reports which are made possible by or derived in whole or in part from this Project, and any news articles, brochures, seminars, or other promotional materials or media through which it publicizes the Project will acknowledge the CITY's support in the following manner: "Funding for this project has been provided by a community supported Participatory Budgeting Project using City of Vallejo Measure B Funds."

D. Project Costs, Requests for Payment, Advances

1. The GRANTEE agrees to use all Grant Funds provided by the CITY under the terms of this Agreement solely for the Project herein described.

2. Grant Funds provided to the GRANTEE under this Agreement shall be disbursed to reimburse grantee for eligible costs within 30 days of the GRANTEE submitting monthly invoices for costs associated with the project to CITY.

3. The GRANTEE shall use any income earned by the GRANTEE from use or implementation of the Project or the Project site to further the general purposes of the Project, or, if approved by the CITY, for other purposes consistent with Participatory Budgeting and within the geographic boundaries of CITY.

4. Grant Funds under this Agreement must be expended within the time frame of the Project Performance Period as set forth in Section B of this Agreement.

6. Except as otherwise provided herein, the GRANTEE shall expend Grant Funds in the manner described in the Exhibits approved by the CITY.

E. Payment Process and Documentation

1. All Requests for Payments must be submitted using a completed Request for Payment Form

attached as Exhibit C. This form must be accompanied by 1) an itemized list of all expenditures according to Project Budget Categories, and 2) supporting documentation that clearly identifies the expenditure(s) in relation to the Project Budget Categories in Exhibits “A” and “B” of this Agreement. Payment requests may not be submitted more often than monthly.

2. If the Request for Payment Form is incomplete, inadequate or inaccurate, the CITY will dispute the invoice for reasonable cause and hold all or a portion of the payment request until all required information is received or corrected. Any penalties imposed on the GRANTEE by a contractor, or other consequence, because of delays in payment or other breach of the agreement between the GRANTEE and the contractor are the responsibility of the GRANTEE and are not reimbursable under this Agreement.

3. Final payment of remaining Grant Funds, including amounts withheld from previous payments, shall be paid up to the total amount of the Grant award or the actual Project cost, whichever is less, upon completion of the Project, receipt of the final report and final Request for Payment from the GRANTEE in form and content satisfactory to the CITY, and the satisfactory completion of a site inspection by the CITY.

4. Final payment is contingent upon the CITY’s verification that the Project, as implemented, is consistent with the Project Scope as described in Exhibits “A” and “B”, together with any CITY-approved amendments to the Project Scope. The City shall complete this verification within 30 days off the GRANTEE submitting monthly invoices, as described in D.2.

F. Project Review, Inspection and Documentation

1. The GRANTEE shall submit quarterly written progress reports with photographs, at the completion of the project as described in Exhibit A (“Project Scope”), and upon request by the CITY or as otherwise specified in this agreement. Progress reports must be submitted using the Progress Report Form attached as Exhibit D.

2. The GRANTEE shall provide access to the CITY upon twenty-four (24) hours’ notice to evaluate work completed or being performed pursuant to this Agreement, including work by contractors and subcontractors, in accordance with the approved Project Scope. GRANTEE shall require all contractors and subcontractors, in such event, to provide all reasonable facilities and assistance for the safety and convenience of the CITY’s representative(s) in making such inspections.

3. Unless otherwise authorized by the CITY in writing, GRANTEE shall submit all documentation of Project completion, including, a final Request for Payment and Project Completion Report in the form of a Progress Report Form within sixty (60) days of Project completion.

G. Project Termination

1. Prior to the completion of the Project, either party may terminate this Agreement by providing the other party with thirty (30) days’ written notice of termination.

2. If the CITY terminates this Agreement prior to the end of the Schedule in Exhibit A, the GRANTEE shall take all reasonable measures to prevent further costs to the CITY hereunder. The CITY shall be responsible for any reasonable and non-cancelable obligations incurred by

the GRANTEE under this Agreement prior to the date of the notice to terminate, but only up to the undisbursed balance of funding authorized in this Agreement.

3. If GRANTEE fails to complete the Project or the Agreement is terminated pursuant to subsection 1, GRANTEE shall be reimbursed for expenses on accepted work. Such reimbursement shall be at the sole discretion of the City.

H. Financial Records

1. The GRANTEE shall establish an official file for the Project. The file shall contain adequate documentation of all actions that are taken with respect to the Project.

2. The GRANTEE shall keep separate and complete accounting records for receipt, deposit, and payment of all Project funds, including interest. All funds received by the GRANTEE shall be deposited in separate fund accounts that identify the funds and clearly show the manner of their disposition.

3. The GRANTEE agrees that adequate supporting documentation shall be maintained in sufficient detail to provide an audit trail which will permit tracing transactions from support documentation to the accounting records to the financial reports and billings.

4. The GRANTEE shall maintain books, records, documents, and other evidence sufficient to reflect properly the amount, receipt, and disposition of all Project funds, including non-City funds, interest earned, and any matching funds by the GRANTEE and the total cost of the Project. The maintenance requirements extend to books of original entry, source documents supporting accounting transactions, the general ledger, subsidiary ledgers, personnel and payroll records, canceled checks, and related documents and records. Source documents shall include copies of all awards, applications, and required financial and narrative reports. Personnel and payroll records shall include the time and attendance reports for all individuals who are compensated or reimbursed under the grant, whether they are employed full-time or part-time. Time and effort reports shall also be required for consultants and contractors. Adequate supporting documentation shall be maintained by consultants and contractors in sufficient detail to provide an audit trail which will permit tracing transactions from the invoices to the financial statement, to the accounting records, and to the supporting documentation.

5. The GRANTEE shall use applicable Generally Accepted Accounting Principles, unless otherwise agreed to by the CITY.

I. Audit Requirements

1. The CITY reserves the right to call for a program audit or a financial audit at any time between the execution of this Agreement and the Completion Date or, in the case of early termination, the termination of the Project. Within ten (10) working days of a request by the CITY, GRANTEE shall furnish, at its own expense, legible copies of all materials deemed pertinent to the request. At any time, the CITY may disallow all or part of the cost of any activity or action which it determines to be out of compliance with the terms and conditions of this Agreement.
