

CURTOLA PARK & RIDE HUB

CASUAL CARPOOL SERVICE DURING CURTOLA PARK AND RIDE LOT CONSTRUCTION

Construction of the new SolTrans Curtola Park and Ride Hub is expected to begin on Monday, June 30, 2014. Limited parking will be available at the lot during construction.

The construction will be done in four phases and is expected to last 24 months.

The first phase of the construction will be in the center part of the parking lot. Due to this work, beginning Monday, June 30, the casual carpool will be relocated to north side of Maine Street between Mare Island Way and Santa Clara Street. See map location below.

For additional information about the project, please call **(707) 553-4855** or visit: <http://www.soltransride.com/planning/current-projects/soltrans-curtola-park-ride-hub/>
